2027 Annual Action Team Event

Conference Book Program Feature

Art Due Date: May 5, 2027

Become a Sponsor and Advertise in the 2027 Action Team Events Conference Program Books

There are 2 conference program books to be distributed at the following:

- 1 conference book for the Cold Spray Action Team meeting
- 1 conference book for the Large Scale Additive Manufacturing meeting

The Action Team offers our members and partners the opportunity to showcase your institution/organization/business in the program.

The program books will be distributed on-site at the 2027 Action Team meetings on June 15-17, 2027 as well as be available for download from the www.coldsprayteam.com and www.largescaleadditiveteam.com websites.

The Full Color Program Book Contains:

- Detailed agenda of the presentations and speakers
- Advisory board members listing
- Platinum, Gold, Silver and Bronze level sponsor logos
- Sponsor Advertisements include full page, half page, or quarter page ads (size is dependent on sponsorship level)
- Student Poster submissions listing

Why Advertise in the Action Team Program Book?

- Showcase your organization to 500+ Engineers, Decision Makers, Business Development Experts, Academics, & Government Stakeholders.
- Reach an extended audience with the digital version available online.
- Support the advanced manufacturing community in hosting this annual meeting that provides collaborative opportunities in business and in research ventures.

2027 Annual Action Team Event

AD SPECS

Ad Size	Sponsorship Level	Width	Height
Full Page	Platinum/ Gold	8.5"	11"
½ Page - Horizontal	Silver	7.6225"	5"
¼ Page - Vertical	Bronze	3.8125"	5"

File Formats

Required format:

- JPEG image of text and relevant photos
- If you need graphics support, send an e-mail to support@coldsprayteam.com and provide your art assets prior to **May 5, 2027**.

Trim & Color Bleed Instructions

To prevent any unanticipated print results please abide by the following:

- Keep all text at least 0.25" from trim on each side and 0.625" on full page/cover ads
- Add 0.125" bleed (each side)
- Supply in CMYK format to ensure best representation
- 300 dpi minimum

Due Date:

Advertisement art due date: **May 5, 2027**.

IMPORTANT:

Due to the nature of printing programs, there are no exceptions to the due date. If we do not receive an ad from a committed sponsor by our listed due date, we will create a generic placeholder.

If you commit to a sponsorship after the program has been formatted and sent to the printer, this benefit is forfeited.
