

# 2026 Annual Action Team Event

## Conference Book Program Feature

Art Due Date: **May 1, 2026**

### Become a Sponsor and Advertise in the 2026 Action Team Events Conference Program Books

There are 2 conference program books to be distributed at the following:

- 1 conference book for the Cold Spray Action Team meeting
- 1 conference book for the Large Scale Additive Manufacturing meeting

The Action Team offers our members and partners the opportunity to showcase your institution/organization/business in the program.

The program books will be distributed on-site at the 2026 Action Team meetings on June 9-11, 2026 as well as be available for download from the [www.coldsprayteam.com](http://www.coldsprayteam.com) and [www.largescaleadditiveteam.com](http://www.largescaleadditiveteam.com) websites.

#### The Full Color Program Book Contains:

- Detailed agenda of the presentations and speakers
- Advisory board members listing
- Platinum, Gold, Silver and Bronze level sponsor logos
- Sponsor Advertisements include full page, half page, or quarter page ads (size is dependent on sponsorship level)
- Student Poster submissions listing

#### Why Advertise in the Action Team Program Book?

- Showcase your organization to 500+ Engineers, Decision Makers, Business Development Experts, Academics, & Government Stakeholders.
- Reach an extended audience with the digital version available online.
- Support the advanced manufacturing community in hosting this annual meeting that provides collaborative opportunities in business and in research ventures.

# 2026 Annual Action Team Event

## AD SPECS

Ad Size	Sponsorship Level	Width	Height
Full Page	Platinum/ Gold	8.5"	11"
½ Page - Horizontal	Silver	7.6225"	5"
¼ Page - Vertical	Bronze	3.8125"	5"

## File Formats

### Required format:

- JPEG image of text and relevant photos
- If you need graphics support, send an e-mail to [support@coldsprayteam.com](mailto:support@coldsprayteam.com) and provide your art assets prior to **May 1, 2026**.

## Trim & Color Bleed Instructions

To prevent any unanticipated print results please abide by the following:

- Keep all text at least 0.25" from trim on each side and 0.625" on full page/cover ads
- Add 0.125" bleed (each side)
- Supply in CMYK format to ensure best representation
- 300 dpi minimum

## Due Date:

Advertisement art due date: **May 1, 2026**.

## IMPORTANT:

Due to the nature of printing programs, there are no exceptions to the due date. If we do not receive an ad from a committed sponsor by our listed due date, we will create a generic placeholder.

If you commit to a sponsorship after the program has been formatted and sent to the printer, this benefit is forfeited.
