

# 2025 POSTER COMPETITION

June 9-11, 2026

**ABSTRACTS DUE  
APRIL 1, 2026**

**All students and  
postdoctoral fellows are  
invited:**

- Display your work
- Receive feedback from experts in advanced manufacturing
- Win an achievement award and recognition promotion

## TOPICS

Abstracts should contain original material relevant to the field of cold spray (CSAT) or large format advanced manufacturing (LSAAT) including Friction Stir Welding, Wire Arc Additive Manufacturing, Laser Bed Fusion, Electron Beam, etc.

## EVENT FORMAT

Participants must attend the in-person event to present their posters.

Poster Competition names and titles will be featured in the CSAT or LSAAT meeting program books.

Posters for both CSAT and LSAAT can be set up on the morning of Tuesday 6/9, or Thursday 6/11.

Judges Choice and People's Choice Winners will be announced at the end of the final event day.

## ELIGIBILITY

- ✓ Enrolled as a Postdoctoral Fellow, Graduate Student, or Undergraduate Student
- ✓ Registered for the CSAT 2026 In-Person Meeting or LSAAT 2026 In-Person Meeting.
