

ACTION TEAM

2023 Action Team Showcase

Sponsors and general attendees can have their chance to showcase their prized build, repair, or coating on June 20-22, 2023.

1

CHOOSE YOUR MATERIAL

Feature of interest must be cold spray but any material(s) can be used in the process ie. copper, aluminum, steel

2

SELECT YOUR PART

To qualify, it must weigh less than 50lbs (23 kg) and measure less than 1 cubic foot (0.3 cubic meters)

3

ATTEND THE MEETING

All participants must register in advance & prepare a 1-page description of their build, repair, or coating

4

VOTE

Attendees can vote for their favorites throughout the event - there will only be one first prize winner!

Judging Criteria & Categories

- Creativity
- Most Sustainable
- Fastest Payback Time
- Simplicity
- Most Efficient
- Lowest Cost Solution
